THRU : Comptroller *[Signature]*

FROM : Finance Division

SUBJECT: Temporary Lodging Allowance, [REDACTED]

2. Attached hereto is a copy of an approval, under [REDACTED] of the Confidential Funds Regulation, granting a temporary lodging allowance in lieu of the [REDACTED] differential. It is the understanding of this office that the maximum additional compensation in the form of a differential which can presently be paid in a U. S. [REDACTED] or possession is limited to 25% of an employee's base salary. Since the rate of the special allowance exceeds 25% of most salaries, this office desires an opinion as to whether payment of the temporary lodging based upon the attached approval is proper.

3. In the event that the attached approval is found to be improper, this office requests an opinion as to the necessity for making adjustments of payments heretofore accomplished.
